

*“It was the hardest decision I ever had to make, but in the end I knew it was the right thing.*

*As soon as I met John and Maria and saw how happy they were and how great they were with the baby, I felt so good.*

*They had been trying for years to have a child and they told me that I was an angel for giving them this gift of life. They said they would never forget me, and the baby would always grow up knowing how much I loved him.*

*Thanks JFS for being there for me every step of the way.”*

They told me that “I was an angel for giving them this gift of life”.
